

UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF TEXAS
TYLER DIVISION

ADJUSTACAM LLC,

Plaintiff,

vs.

AMAZON.COM, INC., et al.,

Defendants.

Case No. 6:10-CV-00329-LED

DEFENDANT WAL-MART STORES, INC.’S NOTICE RE TECHNOLOGY TUTORIAL

Pursuant to the Court’s Docket Control Order (Dkt. No. 451), Defendant Wal-Mart Stores, Inc. (“Defendant”) hereby provides notice that it does not intend to submit an optional technical tutorial because the patent-in-suit relates to a simple mechanical device which does not rely upon abstract concepts or hidden design details common in patents involving more complicated technology. As such, Defendant believes that any technical tutorial would be duplicative of information to be presented at the claim construction hearing. In the event Plaintiff or another party elects to submit a technical tutorial, Defendant reserves the right to identify, clarify and/or explain any omissions, ambiguities or misrepresentations made in any such technical tutorial provided by Plaintiff or such other party.

Dated: December 14, 2011

Respectfully submitted,

/s/ Victor de Gyarfas
